Academic activity

Apr 16 - Jun 16

Moscow Higher School of Social and Economic Sciences, Moscow,

Russia

Lecturer

As a visiting lecturer, taught 'Introduction to English Land Law' course. Created the whole course which combined lectures and seminars. The course was based on leading textbooks on English land law and covered leading cases in this area. The course was developed with the aim of giving Russian students good understanding of basic principles of this difficult sphere of law. The course was taught in Russian.

Named one of the three best courses according to a student survey.
